『生死兩相安』之 家人同行

At Ease With Life and Death – Family Participation

失眠、坐臥不安,天天以淚洗面;日坪先請假、後轉半職留在家照顧和陪伴太太,天天為 Ho Ho 煎藥,細心護理。日坪笑言:「我以前曾有一年多的時間沒有收入,全靠太太默默支持,現在輸到我照顧她,當然義不容辭,是她先示範如何堅守婚姻的盟誓,我也要學習不論順景逆景,仍支持她、愛護她。」

Ho Ho 初發現患病時,他們的子女還未到十歲,日坪憶述 Ho Ho 接受第一次手術後,因子女年齡太小,不能入病房探望媽媽,倍添彼此的掛念。看著小小的兩兄妹,甚至不夠高去按汽水機的按鈕,日坪更感徬徨和難過,但他堅持讓子女一起學習面對媽媽的患病,問及日坪可曾想過隱瞞子女而單獨面對時,他說:「雖然孩子還小,但他們也能明白媽媽的不舒服,打從開始就讓他們一起面對,可助他們有更多的心理準備,以承擔不同的可能性。有時子女問我媽媽離開後去哪裡,我便按我們的信仰解答他們,告知媽媽將會在天堂,將來我們能共聚,只是今生的分離,仍一點不容易。」

日坪亦分享作為照顧者的苦與樂。有一次,日坪為著要接載Ho Ho 前往醫院覆診接受電療,向 A 單位查詢護送的服務,怎知 A 單位轉介至 B 單位,B 單位又轉介至 C 單位,C 單位最後又轉介回 A 單位,後來日坪才發現 A 單位也可協助,只是平常較少人查詢相關服務,才導致誤會,問及他可會覺得像皮球般被拋來拋去時,日坪笑言:「最重要是鍥而不捨,有時對方不是不想幫,卻可能因誤會而轉介,但堅持到底,總會找到方法及出路。」

日坪續道:「面對患病及臨終,別只是孤單面對,其實身邊有很多人願意幫忙,對別人來說也許只是舉手之勞,卻大大減輕我和太太的負擔。其中有段時間,住在附近的朋友主動提議每日煮飯時,兼煮我們一家的份量,即時省卻我們日常煮食的苦惱,幫助甚多,亦體會人間有情。」

Ho Ho 臨終前曾寫道:「每次覆診都像在等待領取成績單,看看是否能升班,作為癌症病人是那麼的被動和無助。」其中因 Ho Ho 身體逐漸轉差,需要坐著輪椅進出浴室,家中浴室門道的位置郤不夠闊,後幾經辛苦,才在家居紓緩照顧和職業治療師的協助下,在六十多張輪椅中,選出一張剛能進出的輪椅,讓 Ho Ho 使用。這些辛酸的點滴,更展示日坪對太太的體貼照顧和不離不棄,日坪坦言全賴上主及彼此的關愛,才可承受這一切。

Mr. Eric Siu shared the touching story of him and his wife, Ho Ho, in her final stage of life. From the shocking news of her cancer diagnosis, Eric had supported Ho Ho in this battle for over 10 years. One of the most difficult times was the period when Ho Ho was receiving chemotherapy for 4 months. At times she couldn't eat normally and was suffering from tiredness, hair loss, vomiting, diarrhoea, insomnia and restlessness. Ho Ho was deeply depressed but Eric tried his best to comfort her. Eric applied for leave and later changed his job to a part-time one to allow more time to take care of her. "It was my wife who kept the wedding vow first when I could not earn a living for over a year previously. Now it is my turn to show her my life-long commitment no matter what," said Eric affectionately.

Eric recalled that, when Ho Ho was first diagnosed, their children were not vet 10, and after her first operation, as the children were too young and not allowed to visit their mother in the hospital ward, mother and children missed each other very much. With two children at such a young age, not even tall enough to press the knobs on the soft drinks vending machines, Eric said he felt sad and at a loss. However, he insisted on helping his children face their mother's illness. Asked if he had ever thought of hiding the fact from his children, he said "Although they were young, they knew that their mother was not feeling well. Letting them face this together from the very beginning helped them prepare psychologically to bear different possible consequences. Sometimes when the children asked me where mother had gone after death, I would explain to them according to our religious belief that mother is now in heaven and one day we will be together again. Of course the separation is still not easy to bear."

Eric also shared the pain and joy of a care giver. He recounted that there was one time when he needed to transport Ho Ho to the hospital for electrotherapy. He approached Unit A for help but

頭條日報和星島日報均有轉載日坪的威人分享 Both the Hong Kong Headline and the Sing Tao Daily newspapers reported the touching story of Eric

was referred to Unit B, which in turn referred him to Unit C, and eventually Unit C referred him back to Unit A. Eric later found out that Unit A could offer the help but there were very few such request so there was a misunderstanding on the service required. When asked if he felt like a ball being thrown back and forth, he smiled and said, "Actually the most important thing is perseverance. Sometimes the workers are not being unhelpful; they referred our case only due to some misunderstanding on our needs. By persevering, a way could be found to solve the problem."

"When facing illness or the end of life, don't just handle it single handedly on your own. There are actually a lot of people who are willing to offer their help. For them it is probably a very easy gesture but for someone like me and my wife, such actions could really ease our burden. For a period of time, our friends living nearby offered to cook an extra portion for our family when cooking their daily meals which immediately solved our problem. These gestures are very helpful and from them I did see a lot of love in mankind", Eric said.

Ho Ho once wrote during her illness, "Every time when I revisited my doctor, it was like going in for a report card to see if I can be promoted. As a cancer patient, I really feel so inactive and helpless." One incident was when Ho Ho's mobility gradually deteriorated, Eric had to help her to bathe but the wheelchair was just too large to get into the bathroom. With the support of the palliative home care services and Occupational Therapist, they finally got a suitable one from amongst sixty odd models. Such a "tiny" example shows the difficulties faced by Eric in the daily caring of his wife and from it we can see the care and love Eric had for Ho Ho. Eric told us that it was the love of God and the love between the two of them which gave them encouragement despite of all such challenges.

"The Latter Life Forum: At ease with life and death – Family participation" held on 8 June 2013 was again a success. It attracted an audience of 300. The audience was enthusiastic and touched by the topic. In addition to Eric's sharing, Ms. NG Siuying, Assistant Social Services Secretary of Sik Sik Yuen, and Ms. Cecilia Kwan, Nurse Consultant (Palliative Care) of Bradbury Hospice, presented their perspectives on caring for older adults and terminal patients with their family members in the last stage. Their passion in the service is admirable.

It is not easy to take care of the older adults and patients in end-of-life stage. The family members have to show concerns as well as struggle with many changes. As an advocate of quality end-of-life care, SPHC plans to open "Jockey Club Home for the Hospice", the first-of-its-kind home-like hospice center in Hong Kong, in 2015. It would be one more option for the needy families like Eric's in times of the critical terminal stage.

「登山善行」2013

第二十一屆「登山善行」於 2013 年 3 月 10 日(星期日)假元朗大欖郊野公園圓滿結束。今年有逾520 位登山健兒踴躍參加,與各贊助人仕及現場義工,一同為全港寧養服務共襄善舉,出一分力。今屆「登山善行」邀請到財政司司長曾俊華 GBM 太平紳士、善寧會榮譽會長梁智鴻醫生 GBM,GBS,OBE,太平紳士、「登山善行」籌募委員會主席及善寧會榮譽會長詹康信先生 GBS、以及善等會人會大學會長詹康信先生 GBS、以及善等。會榮譽會長詹康信先生 GBS、以及善等。會榮譽會長詹康信先生 GBS、以及善等。以及善等。其起步禮。英皇娛樂集團藝人洪杰和詩雅亦對場為登山健兒打氣。有賴一班熱心人士及贊助機構的鼎力支持,今年活動已成功籌得善款超過港幣二百六十萬元,讓本會得以繼續為寧養紓緩服務提供援助及推而廣之。

「登山善行」是以推廣寧養紓緩照顧為己任的善寧會一年一度之大型籌款活動,所得善款用作推廣寧養照顧、提供善別輔導和生死教育三方面,為末期病患者及失去摯愛的喪親家屬提供援助。據推算,2036年香港65歲或以上的人均年齡比例將增長到26.4%。世界衛生組織更預測,至2050年香港會成為世界排名第五、老年人所佔比例最大的城市,即40%的香港人口將達65歲或以上。

善寧會執行委員會主席王紹強先生 MBE 表示: 『2012 年,65 歲或以上的老人佔香港總人口的 17.1%。驅使善寧會加強推廣寧養紓緩照顧概念予每一位香港人。』王先生續說: 『本港人口老化問題越趨嚴重,社區對寧養紓緩服務的需求與日俱增,我在此呼籲大眾支持「登山善行」這項有益身心及有意義的籌款活動,以助推動本港寧養服務和善別輔導服務的發展。』

高盛更是連續第二年企業組別中派出最多隊伍參加「登山善行」的公司。高盛亞洲首席營運官費孟思先生陳述:『「登山善行」活動已經舉辦了二十一年,高盛由當初數位員工參與至今年多達61人組成11隊登山隊伍。我們很榮幸能夠參與這個活動並見証善寧會不斷成長。』

Hike for Hospice 2013

Our annual signature fundraiser, the 21st Hike for Hospice, was held on 10 March 2013 at Tai Lam

Country Park with resounding success. This year, we had 520 hikers participating in the event, joining hands with the volunteers and sponsors to help the Society in its goal to add life to days for the needy. We were once again honoured to have the officiating guests joining the ceremony, Mr. John Tsang Chun-wah GBM, JP, Financial Secretary; Dr Leong Che-hung, GBM, GBS, OBE, JP, Honorary President of The Society for the Promotion of Hospice Care; Mr. Jim Thompson GBS, Chairman of the Hike for Hospice Organising Committee & Honorary

President of the Society for the Promotion of Hospice Care; Mrs. Semon Yeung, Chairperson of Emperor International Holdings Limited; and artistes Alex Hung Kit and Michelle Sze Nga. With the generous support from our donors and corporate sponsors, we raised over HK\$2.6 million which helps us continue our work to help terminal patients and the bereaved.

Hike for Hospice is the annual flagship event of SPHC and the donation goes towards promoting hospice & palliative care, providing bereavement support and enabling life and death education, helping terminal patients and their families face death with dignity and peace.

In Hong Kong, it is projected that the ratio of elderly people aged 65 or above will grow to 26.4% by 2036. The World Health Organisation has made a forecast that Hong Kong will be listed as the 5th largest city on elderly population by 2050, which means 40% population will be at age 65 or above.

Mr Raymond Wong, MBE, Chairman of Executive Committee SPHC stated, "According to the government figure, the population at age 65 or above has reached 17.1% in 2012. With the growing demand from the ageing population for services such as hospice care, SPHC calls for public support to this healthy, team spirit building and fundraising activity."

For the second year running, Goldman Sachs was the corporation with the largest number of teams participating in the Hike for Hospice. Matt Fremont-Smith, Goldman Sachs' Chief Operating Officer for Asia, said, "Goldman Sachs has been a long term supporter of the Hike for Hospice since its founding 21 years ago. Our team started with a few employees more than two decades ago to reach 61 hikers representing 11 teams this year. We are honoured to be part of the event and witness the growth of SPHC."

Ms. Helina Tsang, the Centre Director of SPHC's Jessie and Thomas

Tam Centre (JTTC) stated that she has learned the most about life, death and bereavement from her bereaved clients. She joins the Hike every year and witnesses how her exclients gain their positive energy by joining the Hike together and learn to walk hand in hand in their lives ahead.

Among the hikers, there are teams formed by the ex-clients, who have joined the bereavement support group at JTTC. One of the teams is called "Blossoming in Love" with members experiencing similar grief in losing their parents. Maggie, an ex-client, recalled that she became very depressed when she lost both her parents

respectively all of a sudden within a year. With help from her counsellor and the bereavement support group, her selfesteem gradually improved. Maggie and her teammates have also rebuilt their confidence in life. Hike for Hospice has now become one of their major annual group gatherings.

Next year, the Hike for Hospice will be held on 9 March 2014. We look forward to your continuing support and participation.

guests and hikers found interesting information about this historical building while enjoying the food and drinks sponsored by Crown Wine Cellars.

89 hikers and guests attended the Ceremony that evening. In his speech, Mr. Jim Thompson, GBS, Chairman of Hike for Hospice Organising

> Committee, shared his previous experience in hospice and palliative care. He also thanked all the sponsors and hikers for their continuing support. After the award presentation, hikers and guests enjoyed not only the repast but also the fun and happy moments captured on photos taken at "Hike for Hospice".

本會獲嗇色園邀請,主領「遇見生命遇見愛」員工生命教育培訓計劃,於 2012年7月至2013年3月順利完成。此計劃 共為410位嗇色園員工提供合共16天生命教育培訓,更撰寫新入職同工導向教材套,希望生死教育的知識得以承傳。

透過體驗式學習,同工更親身體會生命教育的核心價值,並學 習於工作上運用正向心理,陪伴長者共渡晚晴。

學員分享訓練中不單助他們反思生命,更對長者及其家人面對 死亡時的心理狀況有更深的體會,當中的得著定可應用在未來 服務中。以下是同工的回應:

「訓練讓我體會生命無常,需要珍惜所擁有的。」

「通過訓練,令我對人生如何面對生死有了正面的理念及能 積極面對。」

「是次令我對人生有了規劃,並將學習的東西溶入長者服務 中。」 Collaborating with Sik Sik Yuen, the project "Meeting with Life; Meeting with Love" was successfully held from July 2012 to March 2013. There were 410 staff trained in this 16-day programme through experiential learning activities on life and death education. The staff also learnt how to provide end-of-life care to the elderly. Below are some comments and feedback made by participants:

衷心感謝凱瑟克基金 A Big Thank You to Keswick Foundation

在此衷心感謝凱瑟克基金的支持,由 2013 年 4 月起向本會提供為期三年的資助,包括安家舍四名善別輔導員的薪金及兩項先導計劃的活動經費。隨著服務需求的增長及愈趨複雜的個案性質,常設四名善別輔導員方可讓安家舍為喪親者提供更適時及具質素的服務。此外,兩項別具創意的先導計劃——「社區義工關顧計劃」及「生死反思探索營」亦會於今年開展,期望能為喪親家屬提供更全面的照顧。

「社區義工關顧計劃」招募社區人士及以往曾經歷喪親者成為 義工,繼而進行各方面的培訓以積極裝備他們,為初經歷喪親 人士提供情緒及社交支援。此計劃特別切合一些經濟貧乏、居 住偏遠地區或欠缺社區支援的喪親者的需要,突破傳統輔導服 務的限制。三天兩夜的「生死反思探索營」為服務使用者、義 工、醫護社福界的專業及支援同工提供交流反思的機會,一起 探索生死。透過不同層次的服務,我們期望每位經歷喪親人士 也能從哀傷中成長更新。 The Society is very much indebted to the generous support of the Keswick Foundation for supporting the staff cost for four bereavement counsellors and two pilot projects of the Jessie and Thomas Tam Centre (JTTC) for three years starting from April 2013. With the increasing number of new clients and greater complexity of case nature, having four permanent positions of bereavement counsellor could ensure timely quality service. Moreover, it is very encouraging that Keswick Foundation recognizes our two creative pilot projects, i.e. the Community Care Scheme and the Life and Death Reflection and Exploration Retreat Camp, both to be launched in 2013 to give more comprehensive support to our bereaved clients.

The Community Care Scheme is to recruit volunteers both from the community and from the pool of ex-bereaved clients with potentials of caring for others, train and equip them to provide emotional and social support to the newly bereaved clients, especially the deprived, living in remote areas or those having inadequate support, on top of traditional counselling service. The Life and Death Reflection and Exploration Retreat Camp is a 3 day 2 night programme, giving an opportunity for all involved in hospice care service, including service recipients, volunteers, professionals and support workers in both health care and social service, to reflect and explore on life and death issues. The ultimate goal of our service is to help each one involved grow with the bereavement experience.

安家舍接待新加坡考察團

Visit by Singaporean Social Workers to JTTC

由新加坡衛生部護聯中心組織的代表團,一行十二名從事紓緩 照顧相關服務的社工,於2013年4月26日到訪譚雅士杜佩 珍安家舍(簡稱安家舍),了解香港的善別輔導服務。三小時 的探訪,我們扼要地介紹了安家舍的服務特色,以及多年累積 的實務智慧,包括如何應付不斷增長的服務需求、處理愈趨複 雜的個案等。

服務特色

安家舍是全港第一所於社區設立的善別輔導中心,形象鮮明、服務明確,一直得到同業及公眾的認同。因此,我們的個案來源甚廣,包括主動求助的公眾人士、專業同工的轉介,以及曾接受服務人士的推介等。有別於醫院及其他社會服務機構提供的善別輔導服務,安家舍座落於社區,使前來接受服務的人士可免去「病人」的身份標籤,安心求助。其次,安家舍的輔導服務費用全免,避免因經濟有困難的人士失去接受輔導的機會。

經驗分享

本中心的輔導員本著「全人照顧」的信念,並非只著眼於喪親 人士的失喪經歷和其哀傷反應。安家舍的裝潢、佈置或擺設都 細心經營,期望打造成一個「家」的環境,讓每個失去摯親的 人能感到安全和安心,從中獲得力量,跨越哀傷、探索成長。

除提供個人及小組輔導服務,安家舍的另一核心活動——「節日思親會」,凝聚一群失去所愛的家屬,在節慶裡互相支持和鼓勵,同時給予空間讓家屬抒發對逝者的無盡思念。此外,本中心也會舉辦不少支援性活動,以支持家屬的身心社靈發展,幫助他們從失落中慢慢重拾平衡的生活。安家舍提供不同類型服務,貫徹始終的目的就是要把危機化成轉機,引發個人的復原力,協助喪親人士從傷痛中轉化、蜕變成長,促使他們擺脱受助者的角色,達至助己助人、回饋社會。

A group of 12 Singaporean Social Workers visited the Jessie and Thomas Tam Centre (JTTC) on 26 April 2013. This visit was organised by the Agency for Integrated Care of the Ministry of Health, Singapore. The social workers came from hospice care services ranging from service planning to long-term care sectors. The major focus of this visit was to get to know how JTTC, as the first of its kind in Hong Kong, started and operated a bereavement care centre in the community. A few distinctive features of JTTC were introduced. Our practice wisdom, which was gained through overcoming the challenges of increasing number and complexity of cases, was also shared and discussed in their three-hour visit.

Distinctive Features of JTTC

Upon the request of the visitors from Singapore, distinctive features of JTTC's service were presented during the visit. Since JTTC specializes in bereavement

care and support, our image is very clear to both professionals and the general public. Therefore, cases could come from referrals among professionals, previous clients or self-referrals from any member of the general public in need. The centre is located in the community, at a public housing estate. Unlike getting such service from a hospital or social welfare setting, the bereaved clients do not feel carrying "a sick role" when coming to JTTC for support service. As the service is given free of charge to all Hong Kong residents, it also eliminates any resistance to reach out for help by the users.

Practice Wisdom

Our bereavement counsellors would assess the bereaved client as a whole person rather than focus on their grief symptoms or issues only. The Centre as a whole would also provide a holding environment with different intervention programmes for the bereaved clients to explore and grow from their bereavement process. Besides the traditional individual and group counselling services, the festival remembrance service is another core service for the bereaved clients to express their lingering affection to their deceased loved ones. These core programmes were then followed by other support programmes, which would help strengthen their body, mind, social and spiritual aspects in order to help them move on to their restoration from their loss orientation. The ultimate goals of our intervention programmes are to help the bereaved transform their role from a bereaved client to a healthy bereaved person, a supportive peer among other bereaved, or even a contributing member to the society. In short, bereavement becomes an opportunity for growth.

New Look of Jessie and Thomas Tam Centre Library

智能手機、平版電腦等無疑改變了現代人的溝

通與消閒模式,也許

電子書的趨勢確是不可抵擋,但已陪伴我們數千年的紙本書, 其紙張的氣味、一頁一頁地翻看的手感,裝訂設計,仍然有 它的獨特吸引與方便處。

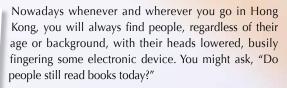

安家舍最近稍稍整頓了我們的迷你書舍,以心理成長(有關成長、情緒管理等)、消閒勵志(心靈雞湯、健康養生等)、處理哀傷(面對傷痛、生命故事等)、生死教育(生死課題、宗教哲學等)為分類主軸,讓家屬或讀者搜尋及借閱書刊之餘亦為圖書館帶來新氣息。

添置新書同時,我們會每季在安家舍的通訊中推介一至兩本新書,希望引起喪親家屬或訪客的興趣,透過閱讀別人的故事或心得,甚至輕鬆小品,稍稍「書」展身心,並為自己在面對傷痛的歷程,輸入正能量。

善寧會一直都有透過文字去推廣我們的信念與工作,過往曾出版兩冊《生死兩相安》(至今送出了超過168,000冊),《寄給天國的信》、《生命美學》、《圓滿人生》,及至最近出自學生手筆的《悟、生、死》,都為公眾人士帶來安慰與健康的信息,播下希望的種子。

我們相信,文字具有療傷與鼓舞的能力。每一本書都是有靈魂的!有些別具啟發,有些挑起共鳴、有些充滿想像、有些引發動力!所謂「書中自有黃金屋」,為鼓勵多些訪客來尋寶,享受閱讀的樂趣,我們同步推出「讀、樂、樂」計劃,邀請家屬或讀者提筆與我們分享讀後感或心得。歡迎你日後路過安家舍時,挑一本書,走進你的曠野!

沈淑文(安家舍善別輔導員)

The emergence of new technologies in smart phones, iPads and the like has completely revolutionized the way people communicate and spend their leisure. Apparently, the prevalence and impact of e-communications are extensive and irreversible. But books in print, our "seasoned" old companions, bring us a kind of enjoyment, attraction and convenience that high technology cannot offer; they can be flipped page by page, touched and smelled, each standing on its bookshelf with unique size, graphics and layout.

JTTC has just rearranged the collection in our petit library according to 4 main categories, and they are: Growth and Psychology; Life and Leisure, Facing and Handling Grief, Life and Death Education. By re-organising them in a user-friendly way, we believe readers can more easily find books that suit their needs.

Besides bringing in new books, we have started a quarterly book review column in the JTTC newsletter to interest readers. We hope that our clients, in their recovery from bereavement, can find soothing comfort and positive energy through reading other people's stories and insights, or simply by picking up a book for leisure.

Over the years, the Society for the Promotion of Hospice Care has published works to promote our mission and work. Our 2 volumes on life and death *At Ease with Life and Death* have reached over 168,000 readers. Other titles include *Letters to Heaven, The Circle of Life, 3G Quality Retirement* as well as the most newly released *Reflections on Life and Death* contributed by teenagers. All these life stories help to spread comforting message and seeds of hope to the bereaved.

We believe in the healing power of the printed word and that there is a soul in each book. Some of them inspire, some trigger resonance, some instigate imagination and some enhance motivation. As the Chinese saying goes, "There is gold in each book". To encourage more treasure hunting in our library, we have prepared gifts for readers who write down any sharing with us. You are most welcome to borrow a book when you walk by JTTC next time and discover the joy of reading.

Lily SUM, Bereavement Counsellor, JTTC

《真原醫:21 世紀最完美的 預防醫學》

楊定一著

Title: Primordia Medicine: The Most Comprehensive Preventive Medicine of the 21st Century

Author: T.Y. Yang

處方:健康養生 效用:恢復健康的常識 成分:

擁有健康身體應是每個人的願望。可是,現代人的「身」與「心」愈來愈多病痛,到底是哪裡 出錯?

所謂「身心相連」,單從醫療或心理單方面去處理問題,並不足以回復健康。因此,作者提倡整合方法,視人為一個身、心、靈的整體,提出全面的保健養生法,幫助現代人達至生活的平衡和身心的統合。全書有十二章,分述飲食、運動、呼吸、思緒與情緒管理等的重要性及實踐方法。看似老生常談,只因「真原醫」就是整合醫學和古人各種文化,你我都不應感到陌生。作者想強調的是,只有徹底「轉變心念」才能恢復健康,作好「心的管理」比一切都重要。

《幸福,很近很小》

衛藤信之著(羊恩媺譯)

Title: Happiness is Close but Small

Author: Nobuyuki Eto

處方:心靈雞湯 效用:培養心靈耐性

成分:

題目看似老套、卻是非一般的炒雜碎勵志書。作者帶著自身對困境的體會,結合多年心理輔導與企業培訓的經驗,娓娓道出他對「幸福」的發現,輕鬆而有力度地點出,**人生是善與惡、幸與不幸的混合體,接受苦難原是迎向幸福的起始點**。貫穿本書的,除卻作者的生命哲學外,還有他在印地安人中領略到的智慧。印地安人以大自然為師,深明天地的不可抗力,從長遠的目光看,世上沒有偶然,一切事情都受到某種巨大自然法則的支配。客旅人生,幸與不幸、喜悦與悲傷,往往是銅板的兩面。幸福不是擁有、而是一種態度、一種發現的能力;真正的幸福在於過程,也往往存在於身邊微小的事物中,如是者,能活在當下、自是福氣。

Category: Life & Leisure

Message: Happiness is around and within

Content:

An experienced counsellor and trainer, Mr. Eto shares what he learns from his clients, from his own struggles as well as from the native Indians in US with whom he spent a year. Assimilating the wisdom of the Indians, Mr. Eto depicts how life is both good and evil, a blend of joy and grief, and that suffering can be a doorway to happiness. Happiness cannot be possessed. It is to be discovered upon a here and now attitude to life.

Light Up A Life Christmas Concert 2013

燃亮生命火花 聖誕音樂會

At Christmas time, many of us rejoice together and enjoy Christmas Carols which are indispensable in spreading joy, hope and love. However, how many would prioritise to help those who are hindered by life-threatening illness

from enjoying just a simple festival? Light Up A Life Christmas Concert is organised for extending care, love and benevolence to these families. This Christmas, the Chairlady of our Concert, Mrs. Sally Thompson, is leading another joyous, inspiring evening for us to raise funds to "light up" the life of these terminal patients and their family members while remembering our late friends and loved ones. Count yourself in for this important cause and have a memorable, wonderfully warm Christmas!

「又到聖誕,又到聖誕……」,人們已習慣於 聖誕節藉着不可或缺的聖誕頌歌去分享和表 達歡欣、盼望和愛。然而,試問有多少人懂得 藉此表達對一些飽受末期疾病煎熬,而未能過 一個平凡節日的家庭表示關懷?「燃亮生命火 花」聖誕音樂會正是希望於這「普世歡騰」的 時刻,為這些家庭送上點點關懷、希望和愛。 音樂會主席 Sally Thompson 女士將於今個聖 誕帶領我們一起為已故或彌留病榻的親友送 上祝福,同時為末期病人及其家人籌募善款, 「燃亮」其生命。這將是另一滿載歡欣和期 待,發人深省,又可帶給別人溫暖的難忘晚 上。請與我們一起度過一個不一樣的聖誕。

《悟・生・死》:一本青少年生死教育的書

"Reflecting on Life and Death": A book for Youth on Life and Death Education

作品,配以精美相片,更由善寧會撰寫二十篇「編者的話」,回應每位同學的分享,希望年青讀者在接觸沉重的「死別」課題時,可從中體會如何處理情緒和應付生命巨變,調整失落、繼續上路。

我們感激新界崇德社慷慨贊助港幣 7 萬 4 千元的印刷費,也 感謝晶晶教育出版社擔任義務編輯,讓此文集可於 2013 年 3 月順利出版,並免費分派全港中學、公共圖書館、大學及專 上學院圖書館、和青少年服務中心,讓更多年青人得以悟, 生,死。 SPHC was invited by Lazarus Hospice and Ministry Ltd ("Lazarus") to collaborate in the publication of a book for youth on Life and Death Education using 20 winning essays from their 2011 Hong Kong territory-wide secondary school essay writing competition on Life and Death Education. Apart from the winning essays and insert photographs provided by Lazarus, SPHC provided 20 "Message from the Editor" as a response to each of the 20 essays. It is hoped that when the young readers face the heavy subject of death and severance covered in the essays, they can also get some hints on how to cope with their emotions presented in the "Message from the Editor".

With the generous sponsorship of \$74,000 from Zonta Club New Territories towards printing costs and free publishing and packing support from Crystal Education Publications Ltd, the book was published in March 2013. It was distributed to all secondary schools, public and tertiary education institution libraries, and youth centres in Hong Kong. We hope that more youngsters could reflect on life and death through this publication.
