

Outreach Palliative Care Assistant Certificate Programme

外展紓緩治療助理證書課程 (PCA-2-2021)

The certificate programme aims to produce Outreach Palliative Care Assistants, a new discipline. Recruits will receive fundamental training to attain the knowledge and skills of a personal care worker followed by more advanced training in palliative and bereavement care to reach the level of palliative care assistant. Training will be provided by expert professionals in palliative care and elderly care.

此證書課程的目的是培訓外展紓緩治療助理（“PCA”），是一嶄新職系。學員先接受基礎培訓，獲取個人護理員的知識和技能，然後進階再接受紓緩治療和哀傷輔導培訓，達至紓緩治療助理的水平。培訓導師均為紓緩治療和老人護理的專業人士。

Goals 目標

The goal of the education programme is to prepare 180 recruits to become PCA with elderly and palliative care training within three years. Each PCA will be equipped with skills required for providing physical, psychosocial, and spiritual support to frail elderly, patients and their family members.

此教育課程的目標，是透過老人護理及紓緩治療的培訓，於三年內訓練 180 位學員成為 PCA。每位 PCA 均能勝任為體弱老人，患者及其家屬提供身、心、社、靈的照顧及護理。
